

Congress Told Spaceman Can Steer by Stars

WASHINGTON (AP)—The nation's astronauts told Congress today that Lt. Col. John H. Glenn's orbital flight showed that future spacemen can navigate by the stars much like a sailor at sea and steer their own course to the moon.

Glenn, accompanied by Cmdr. Alan B. Shepard Jr. and Capt. Virgil I. Grissom, testified before the Senate space committee in their third appearance in as many days at the capitol.

The committee members stood and applauded as the three astronauts strode into the big Senate caucus room, filled to overflowing with cheering spectators.

Shepard, the Navy officer whose suborbital flight last year made him the first American in space, said he feels one discovery made by Glenn that has been generally overlooked is the visibility of stars in daylight.

"We intend to use the stars as a fix on the way to the moon," Shepard said, "and John's observation of the stars during daylight shows we could use them for navigation."

Shepard offered this observation after Glenn had explained how that his triple orbit of the earth a week ago Tuesday had proved that man can operate a spacecraft in the new and strange environment of weightless outer space.

In the future, he said, "we can plug man into the system" and have to depend less on automation.

At one point Glenn was asked by Sen. Robert S. Kerr, D-Okla., the committee chairman, what advice he had for young Americans who would like to have a part in the space age, either as astronauts or in work backing them up.

"A basic good sound education is a prerequisite to any progress in this field," Glenn replied.

He said his advice to young Americans was to get this good basic education and then to let their own talents guide them as to the particular field they should enter.

The astronauts have already had sessions with the House space committee and a House appropriations unit.

Glenn cautioned the House Committee members that the nation should realize that all future space flights may not be so successful as the first three.

"We are riding a crest of enthusiasm and happiness at this moment," the Marine lieutenant colonel said. "There will be times when we are not on such a big crest."

Glenn and his family were guests Tuesday night at a Pentagon dinner given by Secretary of the Navy Fred Korth, civilian chief of the Marine Corps as well as the Navy. Many high ranking government officials and military officers were among the 38 guests.

Looking rested and happy, Glenn cut a cake baked in the form of the space capsule in which he made his three orbits around the world Feb. 20. Lettered on the cake in yellow frosting were the words "Friendship 7, United States."

Glenn also got the pay form for the time he spent whizzing about the earth—a slip of paper worth \$245 in his monthly pay check.

It was the regular Marine Corps flight pay certification, crediting him with putting in the four hours of required flight time in February. The trip lasted 2 hours, 50 minutes.

The only difference in the routine form was that it had an engraved picture of a space capsule.

The certificate was presented to him by Korth.

Minus 20 Degrees at L. R. in 1890

LITTLE ROCK (AP)—If you thought it was cold today, you should have been around in 1890.

That's what Little Rock's record low temperature was set for Feb. 28 — 20 degrees. Today's minimum in the capital city was 26 degrees.

Weather

Precipitation for January 5.22 inches; during the same period a year ago, 1.55 inches.

Experiment Station report for 24-hours ending at 8 a. m. Wednesday, High 53, Low 26.

ARKANSAS: Hard freeze south and east portions tonight. Clearing northwest portion this afternoon and partial clearing south.

Hope High Honor Graduates

Jan Reinhardt

Penny Franks

Jan Reinhardt, valedictorian, and Penny Franks, salutatorian, lead the 126-member, 1962 graduating class of Hope High School. Nineteen of the class have been named honor graduates by Principal Jack Beatty.

Jan is the daughter of Mr. and Mrs. W. M. Reinhardt. Penny's parents are Mr. and Mrs. J. W. Franks.

The Baccalaureate and commencement programs are scheduled for Sunday and Monday, May 28 and 29.

The valedictorian and salutatorian and other honor graduates will have special recognition at the annual awards assembly late in May.

Other honor graduates include: William Tyler, Judy Boswell,

\$155 Million Loan to India From U. S.

NEW DELHI, India (AP)—The United States made available to India today loans of \$155.5 million to finance the import of needed industrial and agricultural commodities and for a power project.

U.S. Ambassador John Kenneth Galbraith told a news conference a \$100 million loan will be used to purchase in the United States fertilizer, nonferrous metals, synthetic rubber and sulphur.

A \$25.5 million loan will help build a 250,000-kilowatt steam power station at Dhuvanan near Calcutta. A \$3 million loan will enable a Bombay automobile company to import machinery from the United States to help build automobiles and trucks.

Health Awards to Several Schools

LITTLE ROCK (AP)—Four physical and health education officials received the honor award of the southern district of the Health, Physical Education and Recreation Association for outstanding contribution to their professions here Tuesday night.

Cited were Miss Clara Haddock, Peabody College, Nashville, Tenn., associate professor of physical education; Dr. Richard Jamerson, Deland, Fla., Stetson University, professor of physical education.

Miss Frances Mays, Richmond, Va., assistant supervisor of health and physical education in the Virginia Department of Education; and Mrs. Ora Wakefield, superintendent of health education for the Nashville, Tenn., public schools.

Jimmy Carver

Pictured above is Jimmy Carver, son of Mrs. Bedia Carver of DeAnn, a 4-H Club member. Jimmy is one of the 12 boys and 12 girls selected for their outstanding 4-H Club work to attend the Arkansas 4-H Club Congress in Little Rock March 2 and 3. He will be competing with the other delegates for a trip to the National 4-H Club Congress in Washington D. C.

Jimmy will have an opportunity to appear on panel discussions and interviews with some of the 4-H Club sponsors in the state of Arkansas.

Union Told to Let Railways Cut Operations

By NORMAN WALKER

Associated Press Labor Writer
WASHINGTON (AP)—A presidential commission recommended today that labor unions give the nation's railroads broad leeway to streamline operations and eliminate thousands of jobs found unnecessary to run the trains.

The commission, reporting to President Kennedy's conclusions of an exhaustive year-long study, said however the carriers would have to be prepared to ease the blow on displaced workers by providing them with partial pay for periods up to three years as well as schooling for other jobs.

The report agreed with industry complaints that the railroads have been saddled with costly featherbedding rules and practices, requiring pay for unneeded work. Most locomotive firemen were found to serve no useful purpose and gradual elimination of their jobs was recommended.

But the commission also had much to say about the plight of the rail workers, whose ranks have dwindled from more than two million in 1920 to less than 800,000 today. The study was concerned only with the problems of the 200,000 rail operating employees — those manning the moving trains.

The report brought an angry dissent from the commission's union members who said it may lead to a nationwide strike. It was also disappointing to the rail industry, which had hoped for greater savings than will be immediately possible.

Simon H. Rifkind, former New York U.S. District judge and the commission chairman, expressed confidence that if both sides used the report "as a candle to light their way, and not as a radiator to heat them up," early agreement could be reached to help put the rail industry back on its feet.

The commission called on the carriers and unions—the engineers, firemen, trainmen, conductors and switchmen — to begin prompt negotiations on the recommendations with the view of ending what it called 19th century labor practices and launching of a new rail progress.

These are the principal recommendations:

Abolish firemen gradually beginning next July 1 from all freight and yard service locomotive crews. This alone would wipe out some 35,000 jobs within a decade—at eventual savings the carriers have estimated at \$250 million.

Wants Pilot Who Tried to Kill Him

By TONY ESCODA

SAIGON, South Viet Nam (AP)—President Ngo Dinh Diem today asked Cambodia to turn over the Vietnamese pilot who crashed-landed in Phnom Penh after taking part in Tuesday's air attack on his palace, the government news agency reported.

The pilot who got away after the unsuccessful attempt on Diem's life was identified as Sub-Lt. Nguyen Van Cu. His partner, Lt. Pham Phu Quoc, was captured when his plane was shot down shortly after the attack.

Quoc was being questioned today but there was no word so far of what lay behind the attack, which the government called an "isolated action," by the two pilots.

The government agency said four persons were killed and about 30 wounded by the rebel pilots, who also strafed Saigon's airport and radio station. Among the injured was Diem's sister-in-law, Mme. Ngo Dinh Nhu, whose arm was hurt slightly by falling plaster from the ceiling in the palace.

Saigon appeared normal today with no sign of any uprising such as the 48-hour rebellion against Diem 15 months ago by five paratroop battalions.

The government said there was no indication that the Communist Viet Cong guerrillas it is trying to wipe out with American military aid had attempted to take advantage of the incident.

Almost nothing was known of the two dissident pilots. Civic Action Minister Ngo Truong Hieu told newsmen they had staged their sortie from the big military base at Bien Hoa, 20 miles northeast of Saigon, but he knew nothing about them or why they made the attack.

SPACEMEN TESTIFY—AMERICA'S THREE spacemen are shown just before they testified before the House Space and Aeronautics Committee in Washington. Left to right: Virgil Grissom; Alan Shepard, and John Glenn. — NEA Photo

U2 Casualty List Seems Very High

By ELTON C. FAY

WASHINGTON (AP)—At least nine U2 high altitude jets—like the one Francis Gary Powers flew over Russia—have been lost in crashes in the United States.

The Air Force disclosed this today in reply to a query.

The tally includes only the U2 aircraft operated by the Air Force itself and used for high altitude sampling of fallout, weather surveys and other research, the Air Force said.

It does not count the Powers' plane that went down deep in Soviet Russia in May 1960 or possible others operated by the Central Intelligence Agency.

The Air Force said the reported losses of its U2s have been caused by various factors, including flame-outs, trouble with electrical systems and landing crashes.

Early last month, a U2 pilot flying near Picayune, Miss., ejected from his plane after what he said was a malfunction in the electrical system.

The U2 was built for a highly specialized purpose—to fly at altitudes of 70,000 feet or more, at speeds comparatively slow for a jet and for long distances.

In designing these specialized features into the U2, some built-in problems also came. The U2 is something like a jet-powered glider. It has very low wing loading (the ratio of weight carried to wing area). And, compared with combat jet fighters, it is fragile in turbulent air or rough landings.

The crashes of Air Force U2 aircraft were: Dec. 19, 1956, near Winslow, Ariz., no fatality; six crashes during 1957, 1958 and 1960 at or near Laughlin Air Force base, Del Rio, Tex., where most Air Force U2s have operated or trained, with four fatalities; a fatal crash near Abilene, Tex., in 1958 and the crash in Mississippi Jan. 2 in which the pilot parachuted to safety.

Cucumber Meet Slated Saturday

There will be an educational meeting on cucumber production at City Hall on Saturday, March 3 at 10 a.m. according to County Agent Calvin Caldwell.

Plans have been developed for discussing dates of planting, other cultural practices and disease and insect control.

The Brown Miller Pickling Co. of Texarkana will have representatives at the meeting. Contracts and seed may be obtained immediately after the meeting. The company needs 250 acres of cucumbers grown in Hempstead county during this year. Prices to be paid for the cucumbers will be \$5.50 per hundred for number ones, \$2.50 for number twos and \$1.00 per hundred for number threes.

Crossett Firm Will Expand

CROSSETT, Ark. (AP)—Plans for a \$70,000 expansion of research facilities of the Crossett Co., were announced today.

K. G. Chesley, research director of the firm, said a laboratory would be enlarged by 3,000 square feet to provide for a flakeboard pilot plant.

It will be third expansion of the research plant since it was built in 1948.

\$2 Million Loan to State College

WASHINGTON (AP)—The Community Facilities Administration announced today a \$2 million loan to Arkansas State College, Jonesboro, for construction of a dining hall to accommodate 3,000 students.

The facility will include student activity rooms, book store, bowling alley, guest rooms, barber shop, recreational and lounge areas and a storage area.

Conference Held by Ham Operators

The Radio Amateur Civil Emergency Services (RACES) District 4, had its monthly get-together by two-way radio Sunday, Feb. 25. Local members are Vic Cobb WSDSE, radio officer; Ruvel Bright WSKFB, radio net control station and Sidney Cash WSLZQ, alternate radio officer.

Subject discussed was "How RACES With Civil Defense Can Cooperate With and Help the Red Cross in a County Disaster Such as Tornado or Flood."

Other members of the district are at Texarkana, Murfreesboro, Pine Bluff and Hot Springs. All were in discussion with the State CD Director at Conway. Also taking part here was Dr. Lloyd Guerin, Red Cross Chairman.

Jefferson and Columbia counties have the most complete Red Cross and CD organizations, far more advanced than Hempstead in overall plans. Of 40 counties enrolled in RACES 15 have complete 200 bed mobile hospital units.

The next get together will be March 25 from 2-4 p.m.

All Around Town

By The Star Staff

The old Oglesby School building on North Main is being offered for sale by Hope School District. The bids call for removal of the building.

A replica of the first J. C. Penney Co. Store is reproduced in the local store's display window today as part of the 60th anniversary of the company. Manager Bill Caldwell invites the public to look at the display.

Perhaps the surest way to get your feet wet is to walk on the downtown sidewalks during a rain.

Mary Lou Park has been elected a section head at Fulbright Hall at the U of A and will be a member of the Council, governing body for over 400 freshmen girls in the hall. She is the daughter of Mr. and Mrs. A. L. Park of Hope.

The Dale Hockett family is visiting Mr. and Mrs. Ernest Hockett enroute to Ft. Meade, Md., where Navyman Hockett will be stationed with the National Security Agency. He has recently returned from a 37-month tour of duty in Japan.

The Gazette's Our Town column yesterday told the story of a housewife, Mrs. Frank Robins III, of Conway, giving Mr. Robins a Valentine's Day card each year for the past 14. After 11 years

Battle Group to Move Into West Berlin

BERLIN (AP)—A new battle group of 1,500 American soldiers will move into West Berlin early next month, less than two months after arrival in West Germany from the United States, the U.S. Army Command announced today.

The 2nd Battle Group of the 47th Infantry, stationed in Augsburg since it participated in maneuvers in January, will replace the 1st Battle Group of the 19th Infantry as part of the American garrison in the divided city.

The motor movement of 3,000 men is regarded as a new assertion of Western rights to use the 110-mile highway lifeline through Communist-ruled East Germany.

It will be the third such major switch of American troops since the Communists built their, concrete and barbed wire wall around West Berlin.

The announcement said Soviet authorities would be kept informed of details of the move. The Russians and the East Germans have protested the movement of U.S. forces to and from West Berlin but have not interfered with them.

More Cottages at Children's Colony

LITTLE ROCK (AP)—The Earl Kirk Construction Co., of Purgould submitted an apparent low bid of \$383,500 Tuesday on a contract for construction of four additional cottages at the Arkansas Children's Colony at Conway.

Bids were opened by state Purchasing Agent Mack Sturgis. The Children's Colony board will study the bid and award a contract at a Hot Springs meeting Thursday.

Each of the cottages will house 32 children. The contracts allows nine months for completion of the work.

Funds for the work were provided by a 1961 special legislative session.

Rain Followed by Hard Freeze Over Arkansas

By THE ASSOCIATED PRESS

A hard freeze over most of the state put an end to three days of rain in Arkansas Tuesday night and the Weather Bureau forecast clearing skies by tonight.

An ice storm predicted for Tuesday and Tuesday night generally failed to materialize.

However, light snow was reported this morning in Fayetteville and Harrison and a hard freeze was forecast for the entire state tonight, so Arkansians are not yet out of the weather woods.

The temperature skidded to 7 degrees at Beaver early today. Fayetteville reported a minimum of 11 degrees and Harrison 12.

Minimums ranging from 5 in the northwest to 25 in the southeast were forecast for tonight.

Northeast Arkansas got the brunt of Tuesday night's icing. Some trees were damaged, but no disruption of utility service was reported.

Northwest Arkansas had considerable icing Tuesday from sleet and freezing rain, but all roads remained open.

Secondary rivers remained over or near flood stage, but there was little danger of flooding in inhabited areas. The Arkansas River was well below flood stage.

Low areas along most streams were covered with backwater, however.

The Ouachita River at Camden stood at 31 feet today, 6 feet above flood stage. Bert E. Clack, a veteran river man, predicted a flood crest of 37-38 feet, which would inundate several thousand acres of crop and pasture land.

Highway 7 north of Camden and rural roads in the area remained under water.

Abducted Boy Found at Texarkana

TEXARKANA, Ark. (AP)—Four-year-old Garry Simpson, reported abducted Sunday from a Lonoke motel operated by his mother, was found unharmed here Tuesday night.

The FBI said the youngster was found at a Texarkana motel with Patricia Vivian Cash, 26, who was jailed on a charge of unlawful flight to avoid prosecution in connection with a Detroit, Mich., car theft.

Garry was placed in the custody of juvenile authorities here pending the arrival of his mother, Mrs. L. Moore Simpson, 22.

Mrs. Simpson reported her son missing after he failed to return from a drive with a woman who had spent Christmas at the motel and had checked in again Sunday.

Mrs. Simpson said the woman had asked to take the youngster to Little Rock.

He left, the mother said, in the company of the woman and James Gibbs, a friend of Mrs. Simpson. Gibbs said he stopped the car to buy whisky for the woman and she drove off with the boy.

Officers said a man who had accompanied the woman to the motel has not been found. Gibbs said the man left the car before the woman drove away.

Mrs. Simpson, a divorcee, operates a motel on Highway 70, about 10 miles west of Lonoke, with her mother.

Co-ordinator Hired by ASC

LITTLE ROCK (AP)—G. I. Gilmore of El Dorado was hired Tuesday to co-ordinate work of the state Agricultural Stabilization and Conservation office in nine southeast Arkansas counties.

Gilmore replaces W. B. Ridgall who resigned the \$7,500-a-year post Feb. 9.

His territory covers Jefferson, Lincoln, Desha, Chicot, Ashley, Cleveland, Drew, Bradley and Arkansas counties.

It was safer on the highways when drivers flipped their lids by shaking buggy whips at each other.

Court Docket

CITY DOCKET

Willie Brown, Aggravated assault. Plea guilty; fined \$56.50.

Faye Clements Koch, Driving while intoxicated. Forfeited \$56.50 cash bond; served 1 day in jail.

Thomas Tyne Jordan, Leaving the scene of an accident. Tried, found not guilty.

Henry M. Rowe, Larry E. Walker, Fred Ratcliff, Speeding. Forfeited \$11.50 cash bond.

James Johnson, Hazardous driving. Plea guilty; fined \$26.50.

Joe L. Madison, Hazardous driving. Forfeited \$16.50 cash bond.

Gavin Gabor, Sammie Stuart, Lester B. Cook Jr., Petit larceny. Plea guilty; fined \$31.50 and 1 day in jail.

Ruck Brown, Drunkenness. Forfeited \$16.50 cash bond.

Paul May, Henry Lee Stuart, Paul May, Drunkenness. Plea of guilty; fined \$16.50.

Lester Shaw, Aggravated assault. Plea guilty; fined \$56.50.

Will Shaw, No brakes on car. Plea guilty; fined \$11.50.

Richard L. Pharris, Improper muffler. Tried; fined \$16.50.

Virgil DeViney, No state car license. Plea guilty; fined \$16.50.

Bobby Lee Rodgers, No state car license. Tried; found guilty; fined \$16.50.

The following forfeited \$11.50 cash bond on a charge of no driver's license:

Ben Robinson, J. L. Hairston, Raymond Edward Archer, Albert Stuart Jr., Thomas Alvin Phyllis, Ester Lee Hicks, Johnnie Lee Phillips, Phillip J. Helmstatter, C. D. Flowers, Charles P. Hanney.

The following cases were dismissed on motion of the City Attorney:

Rufus Herndon Jr., Luther Andrew Biddle, No state car license. Wade Bradford, Clarence Volcan.

STATE DOCKET

Bobby Hendrix, Giving an overt draft. Hearing waived; bound to grand jury; Defendant to stand on his present bond of \$1,000.

John West, No driver's license. Forfeited \$26.15 cash bond.

John Henry Cox, Over length trailer. Forfeited \$46.15 cash bond.

Gene Wesley, Possessing non-taxable intoxicating liquor for purpose of sale. Forfeited \$121.45 cash bond.

Gene Wesley, Possessing over legal amount of beer in a dry county. Forfeited \$86.15 cash bond and served 1 day in jail.

Mot Trotter, No state vehicle license. Forfeited \$31.15 cash bond.

James Turner, Driving while intoxicated. Forfeited \$86.15 cash bond and served 1 day in jail.

George West, Carrying a concealed weapon. Forfeited \$86.15 cash bond.

The following forfeited \$46.15 cash bond on a charge of overweight:

P&T Service Co., Valley Leasing Co., National Homes Corp., H. P. Dyer, Russell's Trading Co., Weingarten Inc., Eugene Wornack.

The following forfeited \$121.45 cash bond on a charge of No ACC Authority:

Adams Inc., Norman P. Alburger Jr., Geneva Towery, Contreras Bros., Agri. Transportation Assn., Simpkin Bros., Wesley Brunken, Frank J. Roidiger.

CIVIL DOCKET

Smith-Corona Inc. vs. Major Reynolds White. Action on account for \$186.06. Judgment by default for plaintiff for \$97.81.

Union Told to

Continued From Page One

million a year. Firemen would continue on passenger train locomotives.

Give the railroads "an unlimited right to introduce technological change," subject to the continued pay and other protections provided for employees losing their jobs. Eliminate crew change requirements at inter-divisional terminals.

Overhaul the complex operating employee pay system, so workers will be paid both for the time and mileage on their runs. The commission found widespread pay disparities and inequities which it recommended be corrected.

Shorten work hours for many workers. The commission found some employees work only four hours for a day's pay, others as much as 15 hours. It said a present 16-hour limit on a work day should be quickly reduced to 14 and eventually to 12.

Require more overtime pay to discourage the management from working men long hours. This also would help spread jobs.

Along that line, an immediate mandatory retirement for men 70 or older was recommended. Over a five-year period the mandatory retirement age would be reduced to 65.

The commission was established by former President Dwight D. Eisenhower in early 1961. James P. Mitchell, secretary of labor under Eisenhower, obtained an agreement between the carriers and the operating unions to establish the commission study.

A HOME FOR CHOPPER — STUDENTS OF HUTTON
Grade School in Chanute, Kansas, succeeded in finding Chopper, a homeless mongrel, from the dog catcher, but not for long. A car hit him and he ended up in the pound, anyway. The kids put donation jars in friendly stores and raised \$14. They paid the \$4 pound fee, had Chopper vaccinated and bought him a new collar, then passed him from home to home. Finally, Cheryl, right, and Cathy Acree promised a good home for Chopper and sixth-grader Jimmy Raines waves goodbye to the grateful pooch. — NEA Telephoto

Insurance Payments
Total \$18 Million

LITTLE ROCK (AP)—Arkansas families received \$18 million during 1961 in death payments from their life insurance companies, the Institute of Life Insurance reported.

The payments were made under 9,700 policies. The 1960 payments were \$16.1 million, almost \$2 million less, on 9,000 policies.

The institute said death payments made in Arkansas in 1961 were 91 per cent more than ten years ago.

Stock Market
Official Indicted

NEW YORK (AP)—J. Truman Bidwell has resigned the powerful post of chairman of the Board of Governors of the New York Stock Exchange following a federal grand jury indictment charging him with evading \$55,908 in income taxes.

He claimed persecution from "high places in Washington," and said "neither the investing public nor the stock exchange is involved."

The government, too, took pains to emphasize that the indictment dealt with Bidwell's personal taxes and had nothing to do with his activities at the exchange.

Nevertheless, the indictment added fire to the persistent rumors of a widespread tax investigation in the securities field.

The Internal Revenue Service began its tax investigation of Bidwell more than three years ago. Last year, the Securities and Exchange Commission turned an investigative "eye on Wall Street" that resulted in a shakeup at the American Stock Exchange.

The SEC probe was based on charges of abuse of trading rules and light domination of the American Exchange. It resulted last month in the resignations of President Edward T. McCormick and Board Chairman Joseph Reilly.

The two-count indictment handed up against Bidwell, 58, Tuesday, accused him of concealing capital gains, and faking expenses for travel, charitable contributions and entertainment.

The grand jury charged Bidwell with listing joint income with his wife for 1956 and 1957 at \$124,404, when the actual income totaled \$208,202. It said Bidwell listed taxes for the two years as \$55,035, when the figure should have been \$110,943.

Conviction could put him in prison for a maximum of 5 years and carries the possibility of a fine up to \$10,000.

Bidwell, who will plead to the indictment on Monday before federal Judge John M. Cashin, issued a statement in which he declared, "I have fully paid all my taxes."

He said he had been engaged

in controversy with the Internal Revenue Service over his 1956 and 1957 returns for more than three years.

"In light of the way negotiations have dragged on for more than three years and in view of the fact that my taxes have long been paid, isn't it strange that Washington would wait until I was chairman of the board and then pick this particular period of the year—around income tax filing time—to release a barrage of publicity before the matter was even

Cuba Again Rejected

UNITED NATIONS, N.Y. (AP)—A new Cuban attempt to air charges that the United States is meddling illegally in her affairs was rejected Tuesday night by the U.N. Security Council.

The council also defeated a Soviet move to let Cuba speak in the procedural debate on whether to take up the complaint.

"The council also defeated a Soviet move to let Cuba speak in the procedural debate on whether to take up the complaint."

Rains Have Filled
Lake Conway

CONWAY, Ark. (AP)—The Game and Fish Commission said today heavy rains have filled Lake Conway three days ahead of schedule.

The gates were closed last week to trap about 3 inches of water that had fallen in the area and normally the lake would have filled by Friday.

By today the lake was a little

above normal and the commission said two gates had to be opened to take care of the overflow.

Fishing is expected to pick up this year in the lake, since it was drained lower than ever before to kill both rough fish and moss. The gates were opened last Sept. 4 for drainage.

A week ago the lake was five feet low.

In Pre-Cambrian times, some 500 million years ago, the North Pole was near Hawaii.

SOCIETY

Phone 7-8431 Between 8 A. M. and 4 P. M.

Calendar

Thursday, March 1

The Gardenia Garden Club will meet in the home of Mrs. Jim James with Mrs. Lyle McMahon as co-hostess Thursday, March 1 at 1:30 p.m. Mrs. Spates will be the guest speaker.

Friday, March 2

The Rose Garden Club will meet Friday, March 2 at 2:30 p.m. in the home of Mrs. S. L. Murphy. Dr. Herbert Rogers will be the guest speaker.

Saturday, March 3

Circle 3 WSCS First Methodist Church will meet in the home of Mrs. R. P. Barlow Monday, March 5 at 3 p.m. All members are urged to bring their World Banks.

Circle 6 of the WSCS of First Methodist Church will meet Monday, March 5 at 2 p.m. in the home of Mrs. George Peck. Mrs. Sam Strong will have charge of the program. Members are urged to bring their World Banks.

Tuesday, March 6

The Prescott District Registered Nurses will meet at the Hempstead County Memorial Hospital Tuesday, March 6 at 7:30 p.m. Guest speaker will be Fay Loomis who will review the book "Family Guide."

Thursday, March 8

The Pat Cleburne Chapter of UDC will meet Thursday, March 8, instead of the scheduled time, March 1. The meeting place will be announced later.

Mrs. Sanders HD Hostess

The Centerville HD Club met in the home of Mrs. Marlene Sanders with Mrs. D. F. Harper as co-hostess. The roll call was answered by 11 members with "Where I first met my husband." The devotion was given by Mrs. D. F. Harper and prayer was by Mrs. W. C. Beck.

Mrs. Snelgrove and Mrs. Sanders gave a demonstration on "How to make over old garments." Mrs. Snelgrove exhibited two blouses made from shirts and Mrs. Sanders a blouse and apron. Cake, coffee and hot chocolate were served during the refreshment hour.

Sprouts Garden Club Meets

The Sprouts Garden Club met in the Garland School auditorium Wednesday, Feb. 21. Larry Alford, president, presided. Mary Nell Williams, secretary, read the minutes of the previous meeting and the song leader, Debbie Dunn, led the group in singing. Linda Britt led the Lord's Prayer, Sally Booth led the pledge to the American flag and the pledge to Garland School and Mike Russell led the junior gardeners' pledge.

Mrs. Sam Huckabee Jr., was guest speaker and gave a demonstration of flower arranging. She used daffodils and other spring flowers in combination with different types of greenery and foliage.

At the conclusion of the program, cookies were served as refreshments.

Shover Springs 4-H Club Meets

The Shover Spring 4-H Club met Tuesday at 7:30 p.m. The meet-

ing was called to order by the president, Linda Arrington. Jimmy Howell gave the devotion, after which Ruth Wright led in singing. Judy England led the pledge to the 4-H flag, and Ruth Wright read the minutes of the last meeting.

Demonstrations were given by Sandra Wright on "How to make a poodle" and Judy England on "How to make jelly." Each member's project was discussed with her leader. Sue England led in several games.

Refreshments were served to members, leaders, two visitors and one new member, Paul Goodwin.

Duplicate Bridge Club Meets

The Hope Duplicate Bridge Club met at the Diamond Monday night for its weekly play. The 3 1/2 tables of players included Mrs. M. L. Felker Jr. and Mrs. Dwight Rechi both of Texarkana.

Winning couples were first, Mrs. R. L. Broach and Miss Elizabeth Bridewell; second, Mrs. Syd McMath and Mrs. R. T. White; third, Mrs. E. P. Young Jr. and Miss Kelly.

Coming and Going

Mrs. Arthur Wimmell of McCaskill went to Little Rock Wednesday for a meeting of the State Landscape Gardeners Assn.

Mr. and Mrs. Billy Hairr of Fayetteville spent the weekend in Hope with Mr. and Mrs. Forrest Hairr and Mr. and Mrs. Jack Lowe.

Miss Diane Helms is on vacation from the second quarter at Iowa State University and she is spending it with Mr. and Mrs. Lex Helms Jr.

Mr. and Mrs. Audrey Wilson attended the 15th annual meeting of the Central Arkansas Milk Producers Assn. in Conway Saturday and visited Mr. and Mrs. Jerry Wilson.

Mrs. W. P. McGraw and Misses Dell and Florence McClanahan went to Nashville Monday to see Mr. and Mrs. Charles Pate and Mr. and Mrs. Gus McClanahan. Mrs. McGraw has remained for a longer visit, while the others have returned home.

Mrs. W. Y. Ferguson has returned home from Texas, where she visited Mr. and Mrs. Jimmy Beasley and family in Dallas and Mr. and Mrs. Ray Ferguson in Mesquite.

Mrs. Kathryn Spaulding of Little Rock was the guest of Mr. and Mrs. Fred Potimby last week.

Duck Waddling Out

NEW YORK (AP)—There will be no more duck waddling in the city's schools, says the Board of Education.

The board said Monday it had instructed all schools to drop any exercises involving a sustained squatting position.

The decision was based on a report last fall by an American Medical Association committee which warned that such exercises might damage the knee structure.

Floods Drive Many From Their Homes

By THE ASSOCIATED PRESS

Damaging floodwaters from rain-swollen rivers and streams poured across broad lowland areas in Kentucky and three adjacent states today, driving hundreds of persons from their homes.

The late winter floods, in the wake of persistent, heavy rains, appeared to have caused the most damage and inconvenience in eastern, and southeastern Kentucky.

There was much flooding and evacuation of families in West Virginia and Tennessee. In Ohio, several rivers were above flood stage but the situation did not appear critical immediately.

At least two communities in Kentucky and one in West Vir-

ginia were isolated by the raging floodwaters. Scores of roads were blocked, including 60 in Kentucky. Some main highways in both Kentucky and West Virginia were impassable because of overflows and mudslides.

Many schools were closed in the water-soaked areas of Kentucky and West Virginia. One death was reported in West Virginia.

Thousands of acres of farmland in the flood stricken region were inundated.

No immediate estimate of the over-all damage was made but it appeared likely property losses might run into the millions of dollars.

Although rains diminished during the night in parts of the soggy areas of western Tennessee and Kentucky, the Weather Bureau forecast rain or rain mixed with snow in most of the eastern half of the nation, including much of the region menaced by the overflows.

However, the Weather Bureau

said, colder and drier air headed into western Tennessee and Kentucky and should diminish the rainfall considerably during the day.

The cold air spread from the North Central region which was in the grip of a severe cold snap. It was 3 below zero in Huron, S.D., the lowest reading since February 1905. The subzero cold, with marks around 30 below, clung to areas in North Dakota, Minnesota and Montana.

In Kentucky, the major flood belt appeared to extend from Ashland to Corbin, which is about 120 miles southeast of Louisville. National guard troops were sent to Corbin, Jackson and Ravenna. In Salyersville, some 300 persons were evacuated from their homes. The town of 1,173 was isolated, as was Inez, a little community near the West Virginia border.

In southern West Virginia, hundreds of families were evacuated in three counties, including some 2,000 in the Logan area. About 100 families were forced from

their homes in the Wayne area, which was isolated after a bridge was washed out. State police reported evacuation of some families in lowland areas near Williams.

The Cumberland River in Nashville was at about 45 feet, five feet above flood stage. Some 200 volunteers were on duty. Many homes were evacuated but no emergency quarters were required.

Army engineers from Ft. Campbell, Ky., assembled a tactical pontoon raft at Cheatham County, Tenn., Tuesday night as they prepared to rescue \$25,000 worth of marooned livestock.

Many secondary roads were closed in southern Ohio counties along the Ohio River and its tributaries, the Scioto, Hocking, Great Miami and Little Miami rivers.

An old barracks job says that GI clothes come in two sizes — too small and too big.

Khrushchev Talks With Ulbricht

MOSCOW (AP)—Soviet Premier Khrushchev and East Germany's Communist leader, Walter Ulbricht, have had a two-day talk on a German peace treaty and "normalization of the situation in West Berlin," Tass announced today.

The Soviet news agency said the conference took place here Monday and Tuesday. It added:

"They also discussed questions of cooperation between the U.S.S.R. and the (East) German Democratic Republic. The Soviet Union will grant the German Democratic Republic a supplementary commodity credit."

A communique reported the two had a thorough exchange of opinions. "On questions pertaining to the conclusion of a German peace treaty and normalization on this basis of the situation in West Berlin, and also on other international questions of concern to the two states."

Two Crosbys in the Hospital

HOLLYWOOD (AP)—Lindsay Crosby and his wife, Barbara, are both hospitalized today—in separate hospitals.

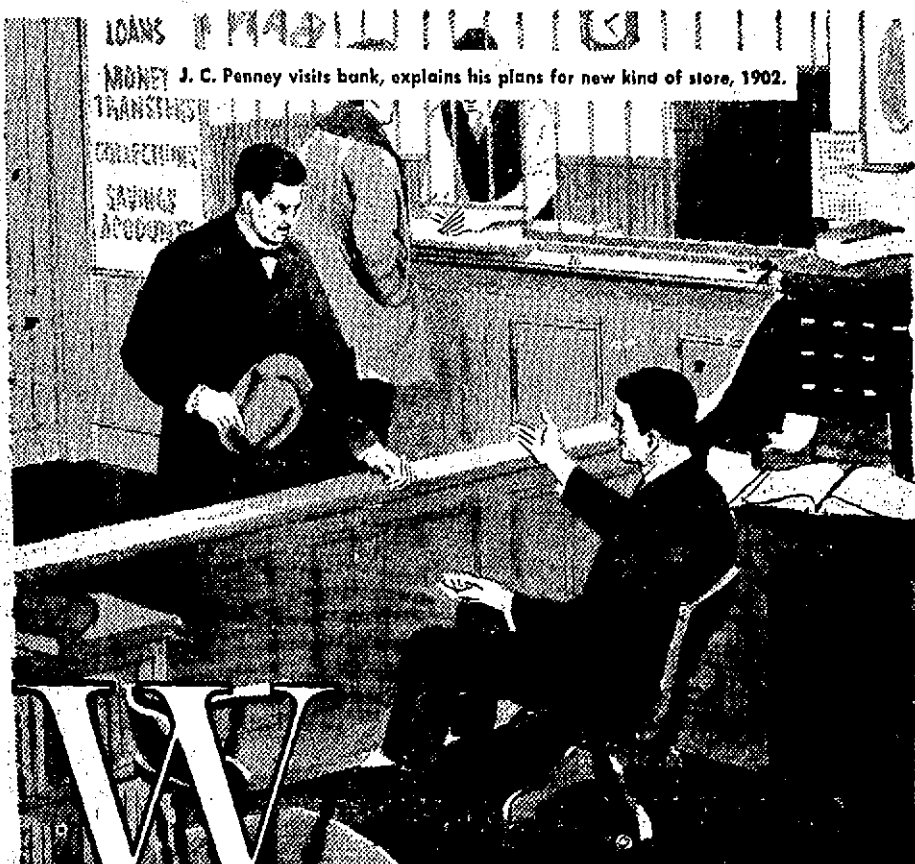

She is in St. Joseph Hospital in suburban Burbank, recovering after the death of a prematurely born son. Lindsay, youngest of Bing Crosby's four grown sons, is in St. John's Hospital in Santa Monica, 15 miles away, for a physical checkup and treatment of laryngitis.

River Meet Called

LITTLE ROCK (AP)—The Arkansas-White-Red Basins Inter-Agency Committee opens its quarterly meeting here today. About 30 officials representing seven federal agencies in the eight states covered by the three river basins will attend. The committee is studying economic development, flood control and recreational development of the basins.

PENNEY'S

Count on Penney's 3 generations already have!

At Penney's serve families all over America, just as we do in this community. These families are three, sometimes four, generations removed from the families in Kemmerer, Wyoming, whom Mr. J. C. Penney served personally in his first store exactly sixty years ago.

The saga of Mr. Penney's first weeks in Kemmerer has been told many times. He promised the business leaders of the town that his new store would sell quality merchandise at lowest possible prices. He repeated the promise in handbill advertisements which he himself helped distribute to Kemmerer housewives. The store was a success from the day it opened, April 14, 1902. First day's sales of \$466.59 foretold a great future.

DOROTHY DIX

The Long and Short Of It

By HELEN WORDEN ERSKINE

Dear Helen: I've had exactly one million and one crushes and now comes the real thing. I love a boy and he loves me. This is it! But there's one big—or rather tall—problem: my height. We're each five feet seven. If we go bowling or pair off in some other sport, that's fine. But he wants to take me to nice restaurants, dancing or to church. I want to go but we can't because I'd have to wear heels and tower above him. He gets hurt when I say no.

He assumes we're marrying in the near future. If we did, he'd hate me and me him, although that seems impossible now. But he needs someone he can whisk around on his arm. And that's not

er, marry. To talk of an affair is being shallow-minded, an affront to true love. I've known many successful marriages where the wife was taller than the husband.

Dear Helen: I am 17, my husband 18. We eloped a year ago because our parents refused to consent to our marrying. Now we'd like to go back and visit them but hesitate for fear they still disapprove. I'm homesick and so, I guess, is my husband. What shall we do?—Confused

Dear Confused: You both should write your parents and say how much you long to see them again. Try to get some of the homesickness you feel into your letters. Describe your married life and, if you're happy, say so.

Tell them that while not sorry for what you did, you are sorry they weren't at the wedding and that, far from loving them less, you love them all the more. On the practical side, better be sure they would welcome you back. If not, they still might have your marriage annulled.

Send your problem to Helen Worden Erskine, care of this newspaper. Be sure to enclose a stamped, self-addressed envelope. Helpful leaflets available. Write for "Hasty Marriage."

Dorothy Dix is a registered trademark. A Bell Syndicate Feature

Today's Penney stores look quite different from the original in Kemmerer. But the best part of that first store has been preserved to this day. It is embodied in the conviction that people want—and are entitled to get—first-quality merchandise at lowest possible everyday prices. Some 1,700 Penney stores this year are observing the 60th Anniversary of that concept, as the Penney Company enters its seventh decade of storekeeping for the Nation. That is the meaning of the message!

count on Penney brands

Penney brand names are our bond to you that we have done everything to maintain quality and to give you the best possible value, the kind of value that merits your continuing confidence.

count on Penney's to exchange it

Buy it, give it with confidence. If it's the wrong color, the wrong selection, nothing will please us more than to exchange it for something that satisfies you completely. Your good will is our greatest profit.

count on Penney's for service

It's always part of the bargain! Serving you as an individual, as a person who has privileged us with your interest in our merchandise, is the most important part of our business. It's a tradition at Penney's!

count on Penney's for a full measure of value

We want everything we sell to give you the satisfaction of money well spent, to justify your confidence and bring you back for more.

Believes TV Fans Need Viewing Diets

By CYNTHIA LOWRY
AP Radio-TV Writer

NEW YORK (AP)—Peter Lind Hayes, a comedian by occupation and a philosopher by choice, believes audiences would enjoy television more if they went on viewing diets.

This is not likely to endear Hayes to the industry's executives or the sponsors. But Hayes feels that most of viewers are suffering from a condition he calls "too much pleasure."

"Americans are so satiated and are given so much, that we have started taking all these things for granted," he said. "I remember one period during World War II when I was overseas for eight months and never saw a radio and never heard any music. One day a captain let me borrow a radio set and you'd never believe the joy and wonder in me when I heard music music—coming out of that box. A little hunger is a wonderful thing."

Hayes and his wife and partner, Mary Healy, have emerged slightly scarred from an ill-fated comedy series last season called "Peter Loves Mary." They had gone into it with high hopes they could achieve an extra degree of financial security if they could make it last two or three seasons. "As it turned out," said Peter mournfully, "it was a complete waste of time."

Peter has gone back to night clubs and the theater, and Mary temporarily retired to look after their two children—but she's getting bored and I think she'll be back with me soon."

Peter will be bouncing back onto the home screens next Sunday in an NBC "musical documentary" (Hayes' phrase) called "Regards to George M. Cohan."

CBS is still tinkering with its next season schedule. It has extended the Red Skelton show from 30 minutes to a full hour on Tuesday nights, which knocks "Dobie Gillis" into the Wednesday evening schedule. Originally it was thought "Checkmate" would drop into Saturday night's lineup, but now the new Jackie Gleason show is to be moved there. "Checkmate" may just be canceled.

The 200-year-old paintings of Dresden by Bernardo Bellotto are used today as a guide in its reconstruction. The East German city was severely damaged by air raids in World War II.

Dictionary Lists Some New Words

By GEORGE W. CORNELL

NEW YORK (AP)—That big, remodeled word book, "Webster's Third New International Dictionary of the English Language," is stirring up a storm of words.

"A scandal," say some critics. "Debased verbal currency." "Accurate," say the book's editors. "The language that is used."

Ever since the new 2,662-page linguistic tome came out last fall, it has provided a steady tumult of reaction, pro and con.

What seems to have produced the main outcry is that the dictionary doesn't classify as slang or colloquial usage a lot of terms that formerly were put in that category.

For instance: on the lam, stick up, con, softsoap, conny. All these were downgraded in the old dictionary, not in the new.

Many terms not included at all in the old dictionary—such as hot-rod, goon, price-wise, jalopy, yeah, gabby-doo, hipster—are elevated to fully respectable English in the new.

So is the beat set's disparaging term, "square," which is defined: "a person who is an outsider or adversary because of the conventional, conservatism or respectability of his taste, behavior or way of life; one who is not in the know; unsophisticated."

This characterization just about sums up the publisher's view of the critics. Gordon J. Gallan, president of G. & C. Merriam Co., which has put out Webster's dictionaries for more than a century, terms the complaints, "Superficial comments of a few journalists who are reluctant to admit that our language has changed rapidly in the last few decades."

The objections have come—honestly—from a variety of sources, however, ranging from writers and reference book specialists to teachers and a law journal.

"Webster III has thrust upon us a dismaying assortment of the questionable, the perverse, the unworthy and the downright outrageous," says author Wilson Foltz, writing in last month's Atlantic Monthly.

"It has gone over bodily to the school that construes traditions as enslaving, the rudimentary principles of syntax as crippling, and taste as irrelevant."

Among other things, he protests the dictionary's approval of the usage of various words in ways widely considered improper before—such as using "like" for "as if" and "due to" for "because of."

The dictionary, the first completely revised, unabridged Webster's in a quarter century, includes 450,000 entries. Among them, the editors say, are 100,000 new words or new meanings.

Dr. Philip B. Cove, editor-in-chief of the new dictionary, said the dictionary simply sought to do what Noah Webster did when he brought out his early two-volume work in 1828—"interpret the culture and language" of the day.

Publisher Gallan observed, "Popular outcry on changes in language is an old story to die."

Data on SS for Farmers Self Employed

"Social Security Information for Self Employed Farmers" is the title of a new booklet just received by the Texarkana district office of the Social Security Administration. It is available free of charge on request by telephone, postcard or letter.

The booklet covers such subjects as the number of credits needed before benefits are payable, who can receive benefits, how much will the benefits be, definition of self employed farmers, figuring your net earnings, farm rental income, soil bank payments, reporting net earnings for S.S. purposes, family business arrangements and who pays for it.

Otis A. Blackwood, manager of the office, suggests that all interested self-employed farmers secure a copy of the booklet by asking for "OASI-664."

New Fashion Makes Girls Look Natural

By GABRIELLE SMITH

PARIS (AP)—Women looked more like their feminine selves at the spring and summer Paris fashion showings.

Each designer seemed to feel a need to feminize his models, but each did it differently. This spring, whether you are tall or short, slim or not, you can wear what suits you like best and stay in style.

The only rule to follow is a short skirt, just below the knee. Yves Saint-Laurent provided the fashion suspense this season. He opened his own house following two seasons underground after leaving Dior, where he had been chief designer. His look reached from Far West to Far East, giving girls cowboy hats and scarves for day, and Balinese cocktail outfits topped by turbans for evening. He even introduced the baron with his short at-home trousers.

Waists came back with wide leather belts, sometimes tight around the middle, sometimes left loose. Only Dior and Saint-Laurent left the waist hovering around the hip.

Small high bosoms reappeared for day in most collections, as at Balmain and Desses. Designers who kept a flat line tended to make up for it at night with low décolletage.

Skirts were made to walk in. Lanvin Castillo decreed against the "one-legged look" women had with straight narrow skirts. Ricci and Heim made skirts bell out in circles, and Saint-Laurent and Dior gave two versions of a straight-looking, easy skirt.

Details added femininity to designers' lines. Dior starred ruffles on organdy and gift for cocktail and evening. Cardin used spiraling ridged tucks to mark midriffs, and applique flowers on strict suits.

Colors went from sun yellow to palest apricot. They were bright and clear in red and fuchsia, deep sky blue. Some models went strict with straight black and white, navy and brown.

Unable to Win Client's Release

BIRMINGHAM, Ala. (AP)—An attorney for a Negro minister has been unable to win his client's release on bail after receiving a U.S. Supreme Court order to try.

The attorney's action came after the court Monday ordered more attempt in state courts to get a hearing and bail for the Rev. F. L. Shuttlesworth, Negro integration leader.

If that fails, The Supreme Court said, Shuttlesworth may again appeal to U.S. District courts for directed the state courts of Alabama.

The court issued a ruling that bama to act within five days on the question of bail.

Orwell Billingsley Jr., Shuttlesworth's attorney, went before State Circuit Court Judge George

Lewis Bailes with petitions for the minister's release on a writ of habeas corpus and for a hearing on bail.

Bailes denied both petitions. The attorney said she would take the case before the Alabama State Court of Appeals at Montgomery today. If he fails there, he said, he will appeal to the U.S. District Court at Birmingham.

Shuttlesworth is serving a 90-day jail sentence for a disorderly conduct conviction that grew out of an integration demonstration on a city bus in 1956.

He contends he was unjustly convicted, stating the complaint against him did not specify misconduct. He also says his arrest was a violation of his civil rights because he was merely seen in the company of some Negroes before they demonstrated aboard the bus.

Canada's 4,000-mile "main street" along the United States border contains 90 per cent of its population.

DeGaulle Meets Robt. Kennedy

PARIS (AP)—U. S. Atty. Gen. Robert F. Kennedy met with French President Charles de Gaulle today. Their talk ran 15 minutes longer than scheduled.

Kennedy described his 45-minute meeting with De Gaulle as "very, very friendly." He also paid brief visits to Foreign Minister Maurice Couve de Murville and Justice Minister Bernard Chenot.

Kennedy will leave for Washington Wednesday, winding up a 25-day world tour that has included stops at Tokyo, Hong Kong, Taipei, Jakarta, Berlin and The Hague.

The nation's seven astronauts wear civilian clothes to underscore the civilian nature of the U.S. space program.

The appearance Monday of Lt.

Col. John H. Glenn Jr. and five of his fellow astronauts in civilian clothes caused some comment among spectators viewing ceremonies honoring Glenn's three orbits around the earth.

Visit to Congo Is Declined

WASHINGTON (AP)—A Senate subcommittee has declined the invitation of Katanga President Moise Tshombe to visit his Congo province for an on-the-spot investigation. It said it didn't want its presence there to interfere with efforts to unify the country.

Sen. Albert Gore, D-Tenn., chairman of the Senate Foreign Relations subcommittee on African Affairs, announced the decision Monday after the group met behind closed doors with Harland Cleveland, assistant secretary of state for international organization affairs.

During 1959, six persons died from rabies in the U. S.

U. S. Trying to Settle Issue

THE HAGUE, Netherlands (AP)—A stepup in U.S. efforts to bring about a peaceful settlement of the Dutch-Indonesian dispute over West New Guinea was indicated here today. U.S. Ambassador John Rice headed for Washington, to be followed in two days by Dutch Foreign Minister Joseph Luns.

Luns discussed the West New Guinea issue with Atty. Gen. Robert F. Kennedy during the latter's stop here last weekend on his world tour. Dutch sources believe that Kennedy, who conferred earlier with President Sukarno of Indonesia, has ideas about a new approach to the 10-year-old dispute which he will communicate to his brother, the President, after his return to Washington.

The attorney general, now in Paris, will fly to Washington Wednesday and be on hand for Luns' visit.

The United States has urged both sides to try to settle their differences without violence.

Tell Full Story

WASHINGTON (AP)—President Kennedy has told Voice of America officials and employees they must tell the story of America in full, including "all our blemishes and wars."

The President spoke Monday at ceremonies commemorating the Voice of America's 20th year of broadcasting around the world. He told some 400 Voice officials and employees the United States has no fear of revealing itself to the world.

Dictionary makers. It began with Noah Webster and continues right down to the present day. The language belongs to the people who use it, not to the critics who try to dictate.

PENNEY'S 60th ANNIVERSARY

Penney's reduces

dress shirts to

Pima cottons
regularly 3.25
with short sleeves
regularly 2.98
2 for \$5

Combed cotton oxfords with short sleeves regularly 2.98

These shirts sold for 2.98... 3.25. Millions bought them and rebought them. In all our 60 years... with all the fabulous values Penney's has brought to America, few can top this one.

We went all out for fabrics that looked, felt, wore superbly! We used our buying experience to get every tailoring feature, every fine detail that marked them as outstanding.

Now, because we know that nothing can sell like having one on... Penney's reduces them to this fabulous low 2 for \$5... it's the best way we know to acquaint everyone with our proudest offerings in 60 years.

TOWNCRAFT... AT PENNEY'S ONLY!

Reds Improve Positions in India Vote

NEW DELHI, India (AP)—Prime Minister Nehru's Congress party maintained its overwhelming lead today in returns from the Indian elections but the Communists and regional parties with separatist ambitions showed strength in districts scattered across the nation.

Returns from 1,477 of the 2,930 state legislative seats and 62 of the 494 parliamentary contests gave Nehru's party 969 of the state assembly seats and 29 of the Parliament seats.

The Communist party was second with 79 assembly seats and 5 in Parliament.

Political observers said the continued strength of the Communists, despite Red China's encroachment on Himalayan territory claimed by India, indicated the Communists had capitalized on local grievances while voters forgot national problems.

The Communists improved their percentage of votes in south India's Kerala State, from 43.32 per cent in a 1959 election of the state assembly to 54.4 per cent in 15 of the 18 parliamentary races.

The Congress party and the Peoples Socialist party allied with it in Kerala dropped from 48.83 per cent to 44.4 per cent.

The Communists also improved their position in Andhra Pradesh State. Partial returns gave them 37 assembly seats. They had 15 seats in the last assembly. Nehru's Congress party had 110 seats.

The new conservative Swatantra (Freedom) party had won 60 assembly seats and one in Parliament.

The Jana Sangh party of right-wing Hindu traditionalists was running strong in central India's Madhya Pradesh State, where one of its candidates defeated the Congress party's chief minister.

Jana Sangh had a national total of 40 assembly seats.

In North Bombay, Defense Minister V. K. Krishna Menon held a 2-1 lead over his chief rival for the left-leaning Nehru associate's seat in Parliament. Menon's total was 72,792 votes. Coalition candidate J. B. Kripalani had 37,176 with about one quarter of the votes tallied.

Astronaut Medal Before Congress

WASHINGTON (AP)—Two proposals to give astronaut John H. Glenn Jr. the Medal of Honor have been introduced in Congress.

One bill, introduced Monday by Rep. Frank Chelf, D-Ky., would authorize presentation of the medals to all seven astronauts assigned to the Project Mercury man-in-space program.

Chelf's bill also would provide bonuses of two years salary for each of the astronauts and of \$5,000 to "each scientist, physicist, mathematician, engineer and technician and other persons materially and actively engaged in" Project Mercury.

The other proposal by Sen. Olin D. Johnston, D-S.C., would authorize the Medal of Honor for Glenn alone.

Arkansan Freezes to Death in Wyo.

LANDER, Wyo. (AP)—An electrician from Royal, Ark., froze to death when he tried to walk three miles through a blizzard to an iron ore development near here Sunday night.

He was Olin Leo Baker, 47. Baker worked with the Columbia Geneva Division of U.S. Steel, which is constructing a multi-million dollar iron ore mine and processing plant in historic South Pass in the Rocky Mountains.

Coroner Larry Lee said Baker and a friend, Cliff Causey, 45, an ironworker on the project, walked from barracks to a tavern three miles away Sunday afternoon, and left about 6 p.m. to return.

They bucked 40-mile-an-hour winds, blowing snow and sub-zero weather. At the halfway mark, Baker collapsed in the snow. Causey returned to the tavern to summon help, but by the time rescuers reached Baker, he was dead.

Causey was in a Lander hospital with frozen hands and a frost-bitten face.

Bailey to Die on April 20

LITTLE ROCK (AP)—Circuit Judge William J. Kirby has sentenced Luther Bailey, 50-year-old Negro rapist, to die in the electric chair April 20.

But Bailey's attorneys, who have kept him alive through appeals for five years, says they will appeal again.

Bailey, of Woodson, was twice convicted of raping a white Little Rock widow. The 8th U.S. Circuit Court of Appeals reversed the first conviction because it said there was racial discrimination in the selection of Pulaski Circuit Court jury panels.

Bailey was tried again in January and again found guilty. The jury included one Negro.

His attorneys said they would appeal the second conviction and ask the state Supreme Court for a stay of execution.

They said they also plan an appeal from a habeas corpus case in federal District Court at Little Rock.

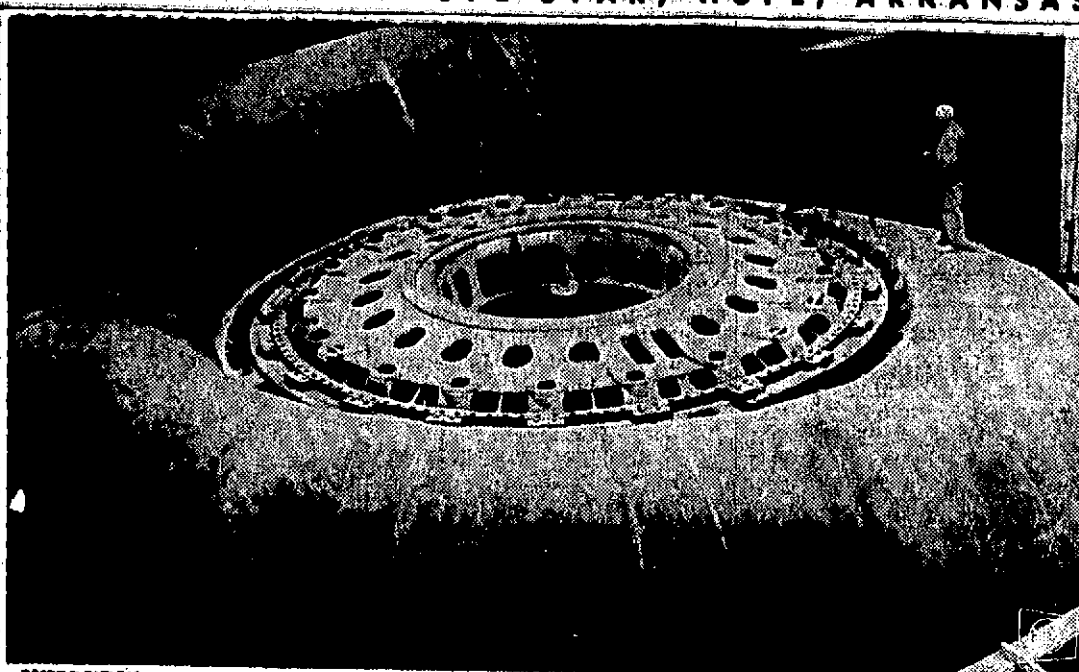

Negro Minister's Suit Dismissed

LITTLE ROCK (AP)—U.S. Dist. Judge Gordon E. Young dismissed Monday a lawsuit in which 10 Negro ministers attacked the constitutionality of four 1957 Arkansas acts, including one that created the state Sovereignty Commission.

The ministers asked that the suit be dismissed because the major issues had been resolved in their favor by the state Supreme Court.

The Supreme Court rendered the Sovereignty Commission inoperative by ruling in 1959 that the six members who were legislators could not serve on it because of a constitutional prohibition against dual service by lawmakers.

The court also stripped the commission of investigative powers. One of the other acts required persons soliciting funds for lobbying to register with the commission and account for the funds. That law was declared unconstitutional.

WHOPPER—Steel spiral case resembling giant inner tube will channel water into power generator of Oahe Dam on Missouri River above Pierre, S.D. Seven of the 20-foot diameter cases will be used in Oahe, the world's largest rolled earth dam. It will be 9,300 feet long, 242 feet high. The water which backs up will create a lake 250 miles long.

This C of C Meet Could Catch On

MAGNOLIA, Ark. (AP)—The Magnolia Chamber of Commerce's annual meeting will be unique—it's skipping the usual full length after-dinner speaker.

Instead it is going to salute Arkansas, Louisiana and Texas through beauty queens.

Both Frances Jane Anderson of Pine Bluff, Miss. Arkansas, and

Linda Loftis of Fort Worth, Miss. Texas, will participate in the program as well as Becky Fisher, Miss Shreveport, who will be recognized as Louisiana's official representative.

W. M. Bigley, president of the magnolia Chamber of Commerce, said the only talking will be commentary by Mayor Clyde Fant of Shreveport; W. H. Kennedy, Jr., Pine Bluff banker, and Lee Godman, Fort Worth merchandising promotional director.

Bowles to Afghanistan

NEW DELHI, India (AP)—Special presidential adviser Chester Bowles flew to Kabul, capital of Afghanistan, today after a five-day visit to India.

Bowles, touring 10 Asian and African countries, is scheduled to visit Pakistan and Burma after Afghanistan.

He conferred with Prime Minister Nehru twice Monday but refused to disclose what they said.

Sophie Likes Everything Most in World

By CYNTHIA LOWRY AP TV-Radio Writer

NEW YORK (AP)—Sophia Loren, a reigning Italian film queen, "Loves her work most in the world, her husband most in the world, she loves eating most in the world, and she likes diamonds most in the world."

This was the summary presented by her current director, Anatole Litvak, in Tuesday night's portrait of a movie star during NBC's "The World of Sophia Loren."

By giving fan magazine treatment to the biographical, marital and occupational details of Miss Loren's life, the program was a happy, hour-long press agent's dream. It not only contained lengthy, hefty plugs for her newest, unreleased film—even a little fill-in on the plot—but had some awfully nice things to say about an earlier one, "Two Women," which, it just so happens, has Miss Loren nominated for an Oscar.

Tuesday night's show was a shallow study full of cliches in presentation, but it never really revealed the person behind the glamor.

Bob Hope had an uninhibited, bright show on NBC Tuesday

Jets Collide in Mid-Air

BORREGO SPRINGS, Calif. (AP)—Two jet fighters collided in the air with a wing-ripping impact that sent flaming wreckage fluttering down on this desert city.

As their planes fell—"Like a bomb," a witness said—the pilots ejected. Both got out safely.

Escaping injury in the smash-up Tuesday were Navy Lt. (JG) Robert G. Bengston, 24, and Marine Lt. Clifford A. Jackson, 29, both of Miramar Air Station near San Diego.

Lawyer a Candidate

LITTLE ROCK (AP)—John S. Mosby, a Lepanto lawyer, filed today as a candidate for judge in the second division of the 2nd Judicial Circuit.

The post now is held by Edward S. Maddox of Harrisburg, an appointee who is ineligible to succeed himself. Maddox was named to succeed the late H. G. Parlow of Blytheville.

Red Death Penalty

MOSCOW (AP)—The Soviet Union today announced the extension of the death penalty to cover the crimes of bribe taking, rape and attacks on policemen.

The new measures were announced in three decrees published in the latest official bulletin of the Supreme Soviet.

- For Sheriff JIMMIE GRIFFIN
- County Treasurer HARRY HAWTHORNE
- Circuit Clerk JIM COLE
- County Judge ORIE O. BYERS
- For Tax Assessor CARTER SUTTON
- For County Clerk J. D. "DICK" TURNAGE

Tech Takes 3rd Straight AIC Title

Arkansas Tech won its third straight Arkansas Intercollegiate Conference basketball championship Tuesday night, beating Henderson 79-67 while league-leading State Teachers tumbled to lowly Southern State 62-56.

In other AIC action, Arkansas College closed out its schedule with an 86-71 victory over College of the Ozarks. Ouachita clipped Hendrix 47-45 in the last seconds, and Arkansas A&M topped Harding with 78-66 ease.

Two weeks ago Tech had only a slim mathematical chance of taking the title. Teachers was safely in second, and Tech third. But Ouachita lost to Teachers, and the Bears stumbled before Henderson and Southern State.

Tech and Teachers both have four AIC losses, but the Wonder Boys have 14 victories to the Teachers' 12.

Kenny Saylor, Arkansas Tech's leading scorer, crammed in 30 points to pace the Wonder Boys past Henderson at Arkadelphia.

Ninth-ranked Southern State got 23 points from Ellis Landers while Teachers' Howard Lamb, second ranking AIC scorer, was limited to 15 points.

BROWNSTONE GOTHIC

by Elizabeth Shonberger

Chapter 21
Hilda flew into the hall, conscious of nothing but the sight of Addie, held stiffly in Saunders' arms. His sailor suit was spattered darkly and grimed with dirt. His head hung limply, his face was flushed and he breathed stertorously through his mouth. He was unconscious but alive.

"What happened? He's covered with blood. Has someone sent for a doctor?"

And as her fingers continued their anxious exploration, she heard a contemptuous answer. "That's not blood. It's wine." It was Miss Maggy's voice. "The child's not sick, he's drunk!"

"Has everyone in this house gone mad?" Aunt Judith demanded.

"Well, Madam," Saunders said, "I—uh—had occasion to check the wine cellar this morning and while I was down there, a delivery wagon arrived that I had personally to see to. I'm very sorry, Madam, I'm sure, but I'm afraid I left the cellar door open. The—uh—little fellow must have gone down while I was away. I found him, like this, on the cellar floor. And there was quite a large puddle under a wine cask. Beside the puddle, I found this."

Saunders was holding out a bedraggled, spattered object that once had been the gay-looking Sport. Hilda bent over Addie. There was a definite smell of wine.

Once in bed, Addie muttered and thrashed restlessly for a while, then he seemed to pass from his stupor into a deep sleep. Hilda sat down beside the bed, holding Addie's hand and watching for any signs of waking or change. She didn't know what to think. She was only aware of a growing sensation of fear.

At the back of her mind, the moment she had seen Addie in Saunders' arms, a picture had appeared of Jenny during one of her attacks. Was it possible? Could Addie, too, be subject to this strange illness? Could it be something inherited?

Marie set the tray down in front of the startled Midgely and poured out a cup. She stepped back and looked up at Midgely with concern. "Oh," she exclaimed, clasping her hands together, "but you must be so uncomfortable! Sitting up there so high, with nothing to rest your back." Deftly, she removed the tray to Will's desk and pulled back his arm chair. "This will be much nicer."

Sparkman Rallies to Beat Hughes

LITTLE ROCK (AP)—Sparkman rallied in the fourth quarter and coasted to a 51-40 victory over Hughes Tuesday in the Class B state basketball tournament in Barton Coliseum here.

Marmaduke took an easy 66-61 victory over Jessieville while Scranton downed Palestine, 62-56, in other first round games Tuesday.

Mount Pleasant, which has a big 37-1 record, faces Wilnot and Mount Judea (42-3) plays Amity today to close out the first round.

Casas opens the quarterfinals tonight against Oden. Bobby Shiron and Dan Denton scored seven and six points respectively in Sparkman's late rush, but Hubert Langley capped scoring honors with 16 points. Larry Faulkner led Hughes with 12.

Scranton rebounded from a 43-42 third quarter deficit with 10 fourth-quarter free throws. Eddie Gill and John Needham pumped in 16 points to lead Scranton. Bob Billingley and Tom Halbert hit 11 each for Palestine.

Marmaduke's Greyhounds leaped ahead of Jessieville on the shooting of Jerry McIntosh and Gene Hoggard, who combined for 45 points. McIntosh hit 25 and Hoggard added 20. Jessieville's Darrell Oates and Jimmy Coleman each netted 14.

Bob Petit Goes on Select List

By THE ASSOCIATED PRESS
Add St. Louis' Bob Pettit to the list of 15,000 point men in the National Basketball Association.

The eight-year veteran of the Hawks hit for 49 points Tuesday night and a career total of 15,010, despite a 147-137 loss to the Philadelphia Warriors.

The game, the second part of a doubleheader at St. Louis, put Pettit on the select list first reached by Dolph Schayes of Syracuse, Paul Arizin of Philadelphia and Bob Cousy of Boston joined Schayes over the 15,000 milestone earlier this season.

Boston won its 53rd game, beating Chicago 115-110 in the opener at St. Louis. Syracuse clinched third place in the Eastern Division and eliminated New York, beating the Knicks 130-120 at Madison Square Garden; and Los Angeles defeated Detroit 107-100 in other games.

Hall Saves Share of Big Nine Title

By THE ASSOCIATED PRESS

North Little Rock and Little Rock Hall went to the free throw line Tuesday night to preserve shares of the Big Nine Conference basketball championship.

The Wildcats trimmed Texarkana 51-48 and the Warriors nipped El Dorado 46-45 on a basket by Tommy Rowland with nine seconds to play.

The victories left North Little Rock and Hall tied for the Big Nine crown with 12-4 records. Little Rock Central bombed Fort Smith 54-36 in another Big Nine game.

Texarkana pulled within one point of North Little Rock, 49-48, with one minute left in the game, but the Wildcats went into a stall and consumed 30 seconds. Then Delaney Kinchen crashed in a basket with 30 seconds to play and ended scoring.

El Dorado made things rougher on Hall. The Warriors trailed twice in the fourth period, 36-35, in the early moments, and 45-44 with 30 seconds to play. Gary Elia put in a pair of free throws to give El Dorado the lead. Then Rowland took the ball and netted the deciding basket.

Fort Smith couldn't match Central's rebounding power and slipped to 9-7 in Big Nine play.

Batesville Looks Easy for DeWitt

LITTLE ROCK (AP)—Steve Rousseau pumped in 22 second half points today in leading DeWitt to an easy 62-49 first round victory over Batesville in the Class A state basketball tournament at Barton Coliseum.

Before Rousseau went to work in earnest after intermission, DeWitt trailed 26-21. Rousseau got only 27 points in all.

In other first round games Tuesday, reserve Ron Jeffries shot Brinkley to a 59-52 victory over Nashville, Manila stunned Monticello 66-39 and Sheridan raced past Stephens 82-69.

Most of Rousseau's points came on layups and free throws and DeWitt shook off the first half jitters and walked into the tourney's quarterfinal round.

Batesville was to meet Greenwood later today to wind up the final round.

Fishing Around Arkansas Lakes

LITTLE ROCK (AP)—Here is a fishing forecast from the Arkansas Game and Fish Commission:

Lake Maumelle: Water clear and normal. Bass fair on live minnows and black jigs with pork rinds. Crappie fair fishing deep with minnows.

Lake Ouachita: Water conditions good. Black bass fair on artificial and live bait. Bream fair on worms. Crappie poor.

Lake Catherine Water seven feet low. Bass fair on artificial bait and live minnows.

Lake Hamilton: Water slightly low, but in good fishing condition. Black Bass fair to good on artificial bait and live minnows. Crappie fair to good on minnows and jigs. Bream fair to good on crickets and worms.

Bull Shoals: Bass fair on twin spins, jigs, eels and dioxie jugs.

Lake Norfork: Bass good trolling and casting bomber bait and deep running lures.

Lake Conway: Water still low, lake expected to begin filling Friday.

Lake Greason: Water normal, but dingy. Largemouth and white bass good on artificial bait and live minnows.

Porkers End Season With Loss to Texas

FAYETTEVILLE, Ark. (AP) — Arkansas ended its home season on a losing note Tuesday night, falling to Texas 61-60 in a South-west Conference basketball game.

Butch Skeet scored the Longhorns' final 11 points and a last-second layup gamble by Arkansas' Tommy Boyer failed, giving Texas the victory.

Arkansas took control of the ball with 49 seconds remaining on the clock. A long stall was climaxed by Boyer's attempted lay-up.

The Porkers rallied briefly after trailing 33-29 at halftime. And 10 straight points pushed Arkansas in front 39-33, a lead it held until 7:28 when Skeet's went on a rampage.

Boyer paced the Razorbacks, scoring with 20 points while Skeets led Texas with 18.

The loss dropped Arkansas to 5-8 in the conference while Texas is an even 6-6.

Top-in Keeps Majors in Lead

By THE ASSOCIATED PRESS
A top-in by Dale Wise with five seconds left kept the Chicago Majors from taking a 1-game lead over the Pittsburgh Rens in the Eastern Division of the American Basketball League Tuesday night.

The goal gave the Hawaii Chiefs a 95-94 victory over the Majors at Honolulu and dropped the Majors back into a first place tie with the idle Rens. In other games the New York Tapers whipped the Cleveland Pipers 101-90 at Com-mack, N.Y., and the San Francisco Saints beat the Kansas City Steers 109-100 at Oakland, Calif. the victory.

Nashville Is Ousted at State Meet

LITTLE ROCK (AP) — Reserve Ron Jeffries shot Brinkley to a 59-52 victory over Nashville in the first round of the Class A state basketball tournament in Barton Coliseum here Tuesday.

In other first round games, Manila stunned Monticello, 39, with a 26-point fourth-quarter spurge, and Sheridan raced over Stephens, 82-68.

DeWitt plays Batesville and Berryville meets Greenwood today to wind up the first round.

Drew Central and Bentonville open the quarterfinals at 7:30 tonight.

Brinkley boomed ahead of Nashville, but felt its hold on the lead slipping when three starters—Bill Patterson, John Brittenum and Bill Davis—fouled out. Jeffries came off the bench and hit four free throws and a final goal after Nashville had crept within one point, and Brinkley was not in danger again.

Patterson had 20 points for the winners, Jeffries totaled 13. Don Williams led Nashville with 12.

Despite Manila's advantage in height, Monticello trailed by only six points at the end of three quarters, 40-34. Then Manila's six-foot, five-inch Jerry Vance, aided by Bernie McCann and Terry Vance, turned it into a runaway. Sheridan rode the shooting of Walley Freeman, and had little trouble turning back Stephens. Freeman hit 35 points, but received rebounding help from Jerry Gailling and big Kenneth McCool. The Yellow Jackets led by 12 points throughout most of the game.

Hope Star SPORTS

Unknown Is Favorite in GG Bouts

CHICAGO (AP)—A 19-year-old youngster from Minneapolis with dynamite in his left hand has suddenly become the darling of the National Golden Gloves Tournament which opens the quarter-final round tonight.

His name is Jim Beattie and he looks more like a baseball player than a fighter because of his 6-foot-7 frame which packs 220 pounds.

Beattie became the favorite of the heavyweight division Tuesday night when he won a clear-cut decision over Wyce Westbrook of Cincinnati, 1950 AAU finalist who was expected to breeze through his class.

Flashing a powerful left, Beattie scored a second round knock-out over Wyce Westbrook of Springfield, Ill., before defeating Westbrook who went to the canvas four times.

Beattie's heroics were just a couple in the three-ring Chicago Stadium marathon in which the four heavier weight class fighters pounded their way into the tournament quarterfinals.

In all, the big boys had 82 bouts and scored 22 knockouts or TKOs. Going into tonight's quarter-finals, Toledo, Ohio, had the lead with 11 points—one point being awarded a team for each victory.

Fort Worth, Tex., paced by Manny Perez in the 147-pound class and Carson Wall in the 160-pound division, had 10 points to tie Lowell, Mass.

Chicago scored nine points along with defending champion St. Louis.

Horse Takes Tumble at Finish Line

HOT SPRINGS, Ark. (AP)—H.M. Shmit's Michael Henry took a tumble at the finish line in Tuesday's \$4,000 feature race at Oaklawn Park, spilling jockey Anthony Skoroski.

Skoroski suffered a fractured right wrist and his mount finished fourth.

Forrest H. Linsay's Don't Be Little put on a driving finish to win the feature, one-length in front of Marion H. Van Berg's favored Cable King.

Don't Be Little covered the sloppy five furlong dash in 1:07.2 and returned \$9,000 straight.

W. Hal Bishop's Ward Bond ran third, three quarters of a length behind Cable King.

A small crowd of 5,050 bet \$310,650.

The first feature event of Oaklawn's young season longer than a sprint distance brings out a field of 10 today competing in the \$3,500 Fraternal Order of Police purse.

It will go the mile and 70 yards distance and those entered are four-year-olds and up with claiming prices ranging from \$8,000 to \$9,000.

Sharing equal top weight of 117 pounds will be Marion H. Van Berg's Severn and Bayliff and Wise's Just Think. W. Hal Bishop will send out an entry composed of Sputnik and Culicue.

Completing the field are Big Top Stable's Wasing Butch, Laramore Stable's Bagging, R. C. Gilmore's Pony Tail, Mrs. F. E. Brown's Bear Tavern, Mrs. A. M. Creech's Jimlo and Sun Hill Farm's Fair Hour.

Severn made his only outing of the season Monday when he finished sixth behind his stablemate, Mr. H., in the six-furlong feature and the longer distance may be his liking.

Role of favorite is likely to go to Just Think, fast-closing son of

Sacramento, Calif.—Fred Roots, 160, Sacramento, knocked out Charlie (Tombstone) Smith, 157, Los Angeles, 7.

Houston — Harold Gomes, 131, Providence, R.I., knocked out Paul Alba, 126, Austin, Tex., 2.

Birmingham, England — Jackie Brown, 111½, Scotland, outpointed Brian Cartwright, 111¼, England, 15. (for British flyweight title).

Ponder and Lap Full. Just Think was acquired from Calumet Farm and won four of his 28 starts last year.

He won one event at New Orleans this year before shipping to Hot Springs.

An Oaklawn winner last year, he finished fourth to Buckley Woods in his only previous effort here this season.

Jimlo and Fair Hour both have had outings at this meeting and are regarded as threats.

The nine-race midweek card includes one additional mile and 70-yard event and a three-furlong dash for two-year-olds.

When to Fish or Hunt
Solunar Tables
By John Alden Knight

The schedule of Solunar period as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours there after. The minor periods, shown in regular type, are of somewhat shorter duration.

Sun and fog sometimes cause a mountaineer to see a ghostly companion below or beside him. It is his own enormously enlarged shadow which the sun casts on a drifting fog bank.

Holy Cross Is Likely to Get Bid by NIT

By ED CORRIGAN
Associated Press Sports Writer
Jack (the Shot) Foley and his free-wheeling Crusaders from Holy Cross were expected today to be named the ninth team in the National Invitational Tournament in Madison Square Garden. The Shot, No. 2 scorer in the

nation's major colleges, plunked in 34 points Tuesday night to lead the Crusaders to an 86-75 victory over Boston College in a showdown for an NIT spot.

Ken Norton, chief of the NIT selection committee, said he was watching the Holy Cross-BC game "with great interest."

In the Southwest Conference the race for the title and the NCAA tournament spot remained a two-way scramble between Southern Methodist and Texas Tech. SMU turned back Baylor 69-52, and Tech downed Texas A&M 69-49, and in the process eliminated the Aggies from the race.

Both SMU and Texas Tech now are 10-3 in the league with one more game to play. SMU goes up against Arkansas and Tech faces Rice next Tuesday. If they wind up in a tie for the title, they'll have a one-game playoff.

Holy Cross' victory over Boston College avenged an earlier defeat at the hands of the Eagles. The Shot, a 6-foot-5 senior and Crusad-

er co-captain now has scored 746 points in 22 games.

Southern Methodist, which has been getting stronger as the season progresses, has won seven straight games. Joe Loderer, leading scorer in the Southwest Conference, pitched in 27 points to pace SMU. Harold Henson had 22 for Baylor.

Harold Hudgens was the big man in the Texas Tech victory over the Aggies, scoring 24 points and grabbing 13 rebounds.

Bowling Green, No. 7, was the only team in the top ten of the current Associated Press poll to play. The Mid-American Conference champions downed Detroit, an NCAA at-large entry, 80-55.

Nate Thurmond had 24 points for the Falcons.

Connecticut, still hoping to push through to the Yankee Conference crown, whipped New Hampshire, 85-72, with Dave Comey getting 23 points, 19 of them in the second half. The Nutmeggers are in third place with a 6-3 record behind the Massachusetts, 8-1, and Rhode Island, 6-2.

This is a Ford Fairlane door latch. There is no other door latch like it. It combines the strength of a bear hug with the precision of a surgeon's fingers. Its action is supple, its sound is solid. Like the 12-month or 12,000-mile warranty* first introduced by Ford, it is undeniable proof of the superb quality built into every Ford car. It may surprise you to find quality so high in a car that's priced as low as the Fairlane (actually under many compacts), but there are many surprises in this newest of automobiles. The fact is, you won't find any new car that gives you Fairlane's big-car room, choice of V-8 zoom and fine-car quality anywhere near Fairlane's surprisingly low price. There's no other new car that combines so beautifully all you ever wanted from a big car—with handling and economy compacts could envy. As a matter of fact, there's never been a buy like Fairlane because there's never been a car like Fairlane—and that's why this all-new car from Ford is now outselling every other "new-size" car. Which is as it should be. After all, how can you beat an unbeatable combination?

*Ford Motor Company warrants to its dealers, and its dealers in turn, warrant to their customers as follows: That for 12 months or for 12,000 miles, whichever comes first, free replacement, including related labor, will be made by dealers of any part with a defect in workmanship or materials. This warranty is not covered by the warranty, appropriate maintenance service and routine replacement of maintenance items such as filters, spark plugs, and ignition points.
